[Verse 1]

Bitch dog be like "AIGH, AIGH, AIGH"  
OOH, this rap shit be getting kinda hectic  
It's not a game nigga, cats don't respect it  
Real shit's been neglected for far too long  
Let's get it on!  
I jump off slugs like packages from UPS  
But you run when you see X  
Pull out the front when you see Tex  
POW, the light is what you see next  
Fuck who you listenin' to, I'm the badest  
98% of the industry is faggots  
Stewart Little niggaz don't want no static  
Whent hey say who shot J R it won't be Dalas

[Chorus]

[Verse 2]

Y'all niggaz don't know how the dog livin'  
No matter what I do I keep on winnin'  
Can't stop me now. It's just the beginning'  
Gon' be there 'till the endin'  
In 2005 you won't know  
Stop, drop, open up shot, let 'em go  
Hit 'em with the same flow I hit 'em with before  
This time I'm goin' around the back door  
Got me like "GOD!" you niggaz is stupid  
Get the drum crack 4 bars, horn then loop it  
Same shit that you did to me, took what you did  
Got niggaz movin', but not institution  
Dog done did it again, uh uh (WHAT?)  
Dog is in it to win, uh huh (WHAT?)  
Dog did a nigga and then, uh huh (WHAT?)  
You thought dog was afraid? Nah ah (Come on)

[Chorus]

[Verse 3]

My niggaz, some niggaz you don't wanna try  
But then again, I be that one to bust a nigga in his eye  
I don't give a fuck bitch all my niggaz ready to die  
Hit you with the things so you niggaz ready to fly  
You don't want no more  
Bring all ya got to even the score  
E5 is HOT? You want more?  
You really don't know what you're askin' for  
Listen old man, don't do that  
We all dogs over here, don't act like a cat  
We like, untouchables, round table with a bat  
Start with the cheers, "Crack, crack, crack!"

[Chorus]
