

Dntel, Suddenly Is Sooner Than You Think

I carry it, your body,
from the freeway.
I cried as if my tears
would bring you back to me.
The sirens followed close behind,
but they were too late,
deserved to drown
the last words.
Then you whispered;
Suddenly is soon, sooner than you think.
Suddenly is soon, sooner than you think.

Suddenly is soon...
...sooner than you think.

Outside, under, a road.
Backwards, into, the ground.
Miss you.
Down, down.
Miss you.
Down, down.
Suddenly is soon, sooner than you think.
Suddenly is soon, sooner than you think.
