## Do, Heaven

Oh thinking about our younger years There was only you and me We were young and wild and free Now nothing can take you away from me We been down that road before That's over now, you keep me coming back for more

Chorus:

Cause' baby you're all that I want When you're lying here in my arms I'm finding it hard to believe We're in heaven

And love is all that I need And I found it there in your heart It isn't too hard to see We're in heaven

Oh once in your life you find someone Who will turn your world around Bring you up when you're feeling down Now nothing can change what you mean to me There's a lot that I could say just hold me now And our love will light the way

Chorus:

Baby you're all that I want When you're lying here in my arms I'm finding it hard to believe We're in heaven

And love is all that I need And I found it there in your heart It isn't too hard to see We're in heaven

I've been waiting for so long For something to arrive For love to come along

Now our dreams are coming true Through the good times and the bad I'll be standing there by you

Chorus
