

# Do, I Don't Want To Be Your Friend

I don't want to see your face  
I don't want to hear your name  
I don't wanna think - Just stay away baby  
Don't wanna know if you're alright  
Or what you're doing with your life  
Don't wanna hear you say that you'll stay in touch maybe

I'll get by just fine  
If you're going then darling goodbye, goodbye

(Chorus)

Don't call me in the middle of the night no more  
Don't expect me to be there  
Don't think that it will be the way it was before  
Don't think that I care  
I'm not over you yet  
And I don't want to be your friend

I'll forget we ever met  
I'll forget I ever let  
Ever let you into this heart of mine baby  
You just gotta let me be  
You gotta keep away from me  
'Cause all I want to be is just free from you baby  
Don't you come around  
Don't say you still care about me  
Just go now, go now

Don't call me in the middle of the night no more  
Don't expect me to be there  
Don't think that it will be the way it was before  
Don't think that I care  
I'm not over you yet  
And I don't want to be your friend

Baby It's killing me  
I'll get by just fine  
And if you're going then darling goodbye, goodbye

Don't call me in the middle of the night no more  
Don't expect me to be there  
Don't think that it will be the way it was before  
Don't call me in the middle of the night no more  
Don't expect me to be there  
Don't think that it will be the way it was before  
Don't think that I care  
I'm not over you yet  
And I don't want to be your friend
