

Do, On And On

I didn't mean it
And yet I cheated on you my love
You my love
My heart is beatin'
Are you leavin' me alone
On my own

And then the tears hit my eyes
I miss you right by my side
I'm waiting for you
Waiting for you
Forgive me just one of my lies
Release me from one alibi
I gotta have you
I gotta have you

On and on
Your voice is calling
On and on inside my mind
Don't you know
I can't let go
Never, never 'cause my love goes
On and on
Your voice is calling
On and on inside my mind
Don't you know
I can't let go
Never, never 'cause my love goes on

I didn't mean it
And yet I cheated on you my love
You my love

And then the tears hit my eyes
I miss you right by my side
I'm waitin' for you
Waitin' for you
Forgive me just one of my lies
Release me from one alibi
I gotta have you
I gotta have you

On and on
Your voice is calling
On and on inside my mind
Don't you know
I can't let go
Never, never 'cause my love goes
On and on
Your voice is calling
On and on inside my mind
Don't you know
I can't let go
Never, never 'cause my love goes on

Oh oh oh oh oh
On and on
On and on
