

Doc Walker, Get Up

Don't you think it's time to forget
Leave your troubles behind
Take that road up ahead

Don't you think it's time to let go
Time to, let it out
Time to let it show

Let's have a good time
We don't need a reason
It's not out of reach
It's just a feeling
And it ain't that hard to find
It's just a state of mind
If your not feeling fine,
I got the cure, take some of mine

Don't you think it's time to forget
Leave your troubles behind,
Take that road up ahead, yeh
Don't you think it's time to let go
Time to, let it out
Time to let it show
So get up, get up, get up, get up now
Get up, get up, get up now

They take a look around
You're not alone
Everybody's letting loose
Everybody's letting go
Just open up your eyes
And then you'll realize
If you're up for living life
Just get on up, take my advise

Don't you think it's time to forget
Leave your troubles behind
Take that road up ahead, yeh
Don't you think it's time to let go
Time to let it out
Time to let it show

So get up, get up, get up, get up now
Get up, get up, get up now
Get up, get up, get up now
Get up, get up, get up now

Don't you think it's time to forget
Leave your troubles behind
Take that road up ahead, yeh
Don't you think it's time to let go
Time to, let it out, time to let it show

So get up
Don't you think it's time to forget
Leave your troubles behind,
Take that road up ahead, yeh
Don't you think it's time to let go
Time to, let it out
Time to let it show
So get up, get up, get up, get up now
Get up, get up, get up now
Get up, get up, get up now
Get up get up get up now
