

Doda, Just You And I

Underneath the colored eyes
There's trace of a darker side
A sign no one ever gets to know
Pretending to be unafraid
Cought up in an acid aid
So done we whatever you are told

What if the birds flying higher tonight
Knowing that this is the truth
Let the beating of your heart
Be the one that takes you for
When there is no one insight

Just you and I
Just you and I
Just you and I

Tell me 'bout your battle scars
I wanna know who you are
Not only the face you hide behind
Promise me it's effortless
No secrets goes on my mess
Your body is stuck on my mind

What if the birds flying higher tonight
Knowing that this is the truth
Let the beating of your heart
Be the one that takes you for
When there is no one insight

All the minutes go the waste
Every second of our face Insight, insight
All the minutes go the waste
Every second of our face Insight, insight

What if the birds flying higher tonight
Knowing that this is the truth
Let the beating of your heart
Be the one that takes you for
When there is no one insight

Just you and I
Just you and I
Just you and I
