

# Does It Offend You, Yeah?, Dawn Of The Dead

Like the man that walked before me, and said  
Dawn of the dead came toward me, Im afraid.  
You could try again but theyll ignore you, and me  
I want to sit down and say thatll do, Im afraid

Today I stood and walked away  
Im never coming back this way  
Ive got my things, Im here to stay  
Ill try to walk another way

(Oh, Ah, Oh, Ah)  
If you say so  
Ill leave home, Ill leave home  
If you say so  
Ill leave home, Ill leave home

Like the dead that walk before me therein  
I cant believe that you ignore me, such a shame  
I didnt come here to try and hurt you, you hurt me  
Ill never sit back and say thatll do, Im afraid.

Today I stood and walked away  
Im never coming back this way  
Ive got my things, Im here to stay  
Ill try to walk another way

(Oh, Ah, Oh, Ah)  
If you say so  
Ill leave home, Ill leave home  
If you say so  
Ill leave home, Ill leave home, Ill leave home

Today I stood and walked away  
Im never coming back this way  
Ive got my things, Im here to stay  
Ill try to walk another way (x2)

(Oh, Ah, Oh, Ah)  
If you say so  
Ill leave home, Ill leave home  
If you say so  
Ill leave home, Ill leave home
