

# Dog Fashion Disco, China White

Young and confused  
Socially abused  
Can't find liberation  
Fucked up in a hole

Take my life  
Hold me till I die

Force feeding me  
Umbilical delinquency  
Shoot me in my brain  
Fuck me in my brain

Till the feeling's gone  
Then just turn and run  
Spare a mental diction  
Dependency is form(?)

Take my life  
Hold me till I die (x2)

Take my life  
Hold me till I die (x3)
