

# Dog Fashion Disco, Oral Spunk (Live In Moscow)

Can't you see eventually  
All I really want to be  
Is preferred by (Verse x2)  
My whole world (x2)  
My world  
It crumbles at the thought of you  
I watch my time stand still  
In my world  
It's where I want to be  
In my world  
I watch my time stand still  
In my world  
It's where I want to be  
This oral spunk  
Can't you see eventually  
All I really want to be

My whole world (x2)

It's where I want to be  
In my world  
I watch my time stand still  
In my world  
It's where I want to be  
I don't want to be  
Down, down, down  
I just want to be  
I am not afraid  
You don't understand me (x2)  
Whoa, wah (x3)  
I am oral 'till you bring me down  
I am not afraid  
You don't understand me (x2)  
Whoa, wah (x3)  
I am oral till you...
