

Dogfight, Push

how the fuck am i supposed to feel
you can't trust me in this time again
and you'll see how i can push this into you
this time i won't hurt you
open wide and feel me

you hurt the way you've hurt before
tearing screaming peircing pain again within you
but you deal with it because you can
take it like it can't live without this feeling

and you fall apart
you regret this in your own way
you'll never see how i feel this touch this
use this i'll push you in i'll push this in

how the fuck am i supposed to feel
this time i won't hurt you
open wide and feel me
