

Dogstar, Forgive

sometimes we fly away too soon
sometimes we live our lives a little out of tune
sometimes in fear we don't look back
we find it so hard to forgive someone for being bad
everything's OK
I'm staring at a better day
if I forgive today
will this pain go away
sometimes we tire from the anger down inside
Sometimes the fire gets a little too hard to hide
What you're saying to me I believe is true
and if you're lying then there's really nothing I can do
everything's OK I'm staring at a better day
if I forgive today
will these memories go away
