

Dogstar, Rain

sunshine blue sky please go away
my girl has found another
and gone away
with her went my future my life is filled with gloom
so day after day I stay locked up in my room
I know to you it might sound strange
but I wish it would rain (oh how i wish that it would rain)
ohh yeah yeah yeah

cuz so badly I wanna go outside (such a lovely day)
but everyone knows that a man ain't supposed to cry
people this hurt I feel inside
words they could never explain
I just wish it would rain
oh let it rain rain rain rain rain ohhhh baby let it rain

I gotta cry cuz cryin is the pain

vocal bridge (yea, yea, yea)

Day in day out my tear stained face
is pressed against my window pane
My eyes search the sky desperately for rain
Cuz rain drops would hide my tear drops
and no one would ever know that I'm cryin cryin
when i go outside
to the world i outside my tears i refuse to explain
i just wish it would rain
