

Dogwood, Belligerent Love

Hatred!
Invisible disease
Your waste of skin hides your fear
What a sorry excuse of a man

Racist!
You personify these words:
Pitiful, callow, alone
Ignorance plagues your soul

Decades of freedom have taken their toll on us
Freedom of speech, freedom of will, free to hate
You give in to pressure from others who own you
Stop taking their racist advice
Decide for yourself the truths about life
Be a man

Bigot!
You choose to hate people
I have no respect for you
I have no respect for you

Rise above!
Admit that you are wrong
Don't let your friends run your life
Become who you want to be

Decades of freedom have taken their toll on us.
Freedom of speech, freedom of will, free to hate.
You give in to pressure from others who own you
Stop taking their racist advice
Decide for yourself the truths about life
Be a man

Be a man!

Racist!
Think for yourself
What puts you above the ones you hate?

Racist!
Think for yourself
What puts you above the ones you hate?

Racist!
Think for yourself
What puts you above the ones you hate?

Racist!
Think for yourself
What puts you above the ones you hate?
