

Dogwood, Never Die

Faith like a rock
The size of a seed
Eternal life
It's all you need

Work your will
My life is yours
Rejoice in You Lord
My faith in you will never die
My faith in you will never die
My faith in you will never die
My faith in you will never die

Live fast
Die slow
Stand back
Let go
Choose life
You'll see
How awesome it is
When God sets you free
Live eternally

Faith like a rock
The size of a seed
Eternal life
It's all you need

Work your will
My life is yours
Rejoice in You Lord
My faith in you will never die
My faith in you will never die
My faith in you will never die
My faith in you will never die

Live fast
Die slow
Stand back
Let go
Choose life
You'll see
How awesome it is
When God sets you free
Live eternally

Forever, I trust in you
Forever, I trust in you
Forever, I trust in you

Live fast
Die slow
Stand back
Let go
Choose life
You'll see
How awesome it is
When God sets you free
