Dokken, Stay

(dokken, brown)

Girl, when I think of you, you know it makes me sad And I wonder, wonder about what we had

Say we're over baby t
That we're through
Can't believe it say that it's not true
Please believe me when I say I do
I'm still loving you,loving you
Loving you

Chorus:
Won't you stay
Can't you see my love is waiting here
Darling, stay
Don't you leave me drowning in my tears

Do ya love me baby let me know Show your feelings 'cause I gotta know

Am I wasting my time, am I being a fool For loving you, loving you Every night your name is on my lips I feel your body at my fingertips Please beleive me when I say I do Am I a fool?

Chorus Bridge

Won't you touch me and stay for awhile I need you so badly Darling...
Won't you stay
