

# Dolls Stage, Still In Love

New York city, and I'm out with the boys,  
on fortysecond street makin' some noise  
Another weekend and my baby's away  
temptations drivin' me insane  
Ain't makin' no promises I can't keep  
I've got a lady back home  
and she's waitin' there for me  
I'm in love, still in love  
oh-oh-oh  
I'm in love, still in love  
oh-oh-oh  
Ain't makin' claims about being a saint  
human nature just tells me I ain't  
The thought of you'll make a blind man see  
hey little girl, look what you're doin' to me  
doin' to me  
Ain't makin' no promises I can't keep  
'cause I've got a lady back home  
and she's waiting there for me  
I'm in love, still in love  
oh-oh-oh  
I'm in love, still in love  
oh-oh-oh  
In love, still in love  
oh-oh-oh  
Ain't makin' no promises I can't keep  
I've got a lady back home  
waitin' there for me, Ah  
I'm in love, still in love  
oh-oh-oh  
I'm in love, still in love  
oh-oh-oh
