

# Dolly Parton, Creepin In (With Norah Jones)

there's a big ole hole  
tha' goes right through the sole  
of this old shoe  
and the water on the ground  
ain't go no place it's found  
so it's only go one thing left to do

(chours)  
just creep on in  
creep on in  
and once it has begun  
it won't stop until it's done  
sneakin in

there's a silver moon  
came a little too soon  
oh for me to bear  
it shines brightly on my bed  
and the shadow's overhead  
won't let me sleep as long as it's there

(repeat chours 2x)

there's a big ol' hole  
goes right through my soul  
oh and that ain't nothing new  
so as long as you're around  
and ain't got no place else you've found  
there's only one thing left for you to do

just creep on in  
creep on in  
and once you have begun  
don't stop until you're done  
sneakin in

and once it has begun  
it won't stop until it's done  
sneakin in

and once it has begun  
it won't stop until it's done  
sneakin in

sneakin in  
sneakin in
