Dolly Parton, Feel's Like Home

Something in your eyes, makes me want to lose myself Makes me want to lose myself in your arms There's something in your voice, makes my heart beat fast Hope this feeling lasts The rest of my life If you knew how lonely my life has been And how long I've felt so low If you knew how I wanted someone to come along And change my life the way you've done

[chorus]

Feels like home to me
Feels like home to me
Feels like I'm all the way back where I come from
Feels like home to me
Feels like home to me
Feels like I'm all the way back where I belong

A window breaks down a long dark street And a siren wails in the night But I'm alright cause I have you here with me And I can almost see through the dark there's light

If you knew how much this moment means to me And how long I've waited for your touch If you knew how happy you are making me I've never thought I'd love anyone so much

Feels like home to me
Feels like home to me
Feels like I'm all the way back where I come from
Feels like home to me
Feels like home to me
Feels like I'm all the way back where I belong

Feels like I'm all the way back, where I belong
