

Dolly Parton, Heaven's Just A Prayer Away

If you're trying to reach Heaven
You talk to Jesus, you talk to Him every day.
'Cause Jesus knows, He knows that you are coming
And Heaven's just a prayer away.

If you go, if you go to church on Sunday
You get down on your knees and pray
And give your heart and your soul to Jesus.
Heaven's just a prayer away.

You are just one prayer from Heaven
As you travel down life's highway.
Just when you think that you can't make it,
Well, Heaven's just a prayer away.

Of, if you go, if you go to church on Sunday
You get down on your knees and pray
And give your heart and give your soul to Jesus.
Heaven's just a prayer away.

Heaven's just a prayer away.

Away.
