Dolly Parton, I Can't Help Myself (Sugar Pie, Hon

(Eddie Holland/Lamont Dozier/Brian Holland)

Oh sugar pie, honey bunch You know that I love you I can't help myself I love you and nobody else

In and out my life You come and you go Leaving just your picture behind And I've kissed it a thousand times

When you snap your fingers or wink your eye I come a running to you Tied to you like a ball-and-chain And there's nothing that I can do

Can't help myself No, I can't help myself

Sugar pie, honey bunch I'm weaker than a girl should be I can't help myself I'm a fool in love you see

I wanna tell you I don't love you Tell you that we're through And I've tried But every time I see your face I get all choked up inside

When I call your name Boy it starts the flame Burning in my heart Tearin' it all apart No matter how I try My love I cannot hide

Sugar pie, honey bunch You now that I'm weak for you I can't help myself I love you and nobody else

Ooh sugar pie honey bunch I'll do anything you ask me to I can't help myself I want you and nobody else

Sugar pie, honey bunch You know that I love you I can't help myself No no no, I can't help myself
