

# Dolly Parton, I'm Fed Up With You

I'm fed up with you feedin' me a line  
You say that wasn't you I saw with someone else last night  
You say you've never done me wrong you've always treated me right  
I know it was dark but not that dark and I'm not that blind  
And I'm fed up with you feedin' me a line  
I'm fed up with you and the way that you do  
I used to love you now I change my mind  
And I'm fed up with you feedin' me a line  
I once believed everything you've said I was so in love with you  
You said I was the only one now I know that wasn't true  
Now I know just where I stand I'm tidin' your cheatin' line  
And I'm fed up with you feedin' me a line  
I'm fed up with you...  
I'm fed up with you feedin' me a line
