

# Dolly Parton, I Wound Easy

(B. Owens)

You're late again tonight and I know the reason why  
You're out with someone else while I sit home and cry  
But I'll just wait right here for you cause I know your new love won't last  
I wound easy but I heal fast  
This isn't the first time your heart has gone a'stray  
You have no resistance when temptation comes your way  
But I'll forgive you this time like I've always done in the past  
I wound easy but I heal fast

You know that I love you more than anything  
And you know that I'll forgive you for causing me this pain  
Oh, tonight my heart is breaking but I know this hurt won't last  
I wound easy but I heal fast

Yes tonight my heart is breaking but I know this hurt won't last  
I wound easy but I heal fast
