

Dolly Parton, My Kind Of Man

If I'm not your kind of woman being just the way I am
Then I know you're really not my kind of man
I don't believe you have the right to ask me to be different
Either take me like I am or let me be
If you really love me I mean really love all of me
You wouldn't want to change one part of me
If you can't be satisfied with me the way I am
If I can't make you happy find someone who can
If I'm not your kind of woman being just the way I am
Then I know you're really not my kind of man
I couldn't make you happy if I let you change me
For I know you wouldn't love me that a way
I can only be myself but if you want something else
Then I can see no reason I should stay
If you can't be satisfied...
If I'm not your kind of woman...
