

Dolly Parton, Put A Little Lover In Your Heart

(Jackie DeShannon/Randy Myers/Jimmy Holiday)

Think of your fellow man
Lend him a helping hand
Put a little love in your heart
You see it's getting late
Oh, please don't hesitate
Put a little love in your heart

And the world will be a better place
And the world will be a better place
For you and me
You just wait and see

Another day goes by
And still the children cry
Put a little love in your heart
If you want the world to know
We won't let hatred grow
Put a little love in your heart

And the world will be a better place

And the world will be a better place
For you and me
You just wait and see, wait and see

Take a good look around
And if you're lookin' down
Put a little love in your heart
And I hope when you decide
Kindness will be your guide
Put a little love in your heart

And the world will be a better place
And the world will be a better place
For you and me
You just wait and see
Put a little love in your heart
Each and every day
Put a little love in your heart
There's got to be a better way
Put a little love in your heart
Don't you think it's time we start
Put a little love in your heart
