

# Dolly Parton, Randy

(Dolly Parton)

Randy in your eyes, I see the promise of a future  
The promise of a love like I have never known  
Randy, cradled in your arms, I feel like I'm in heaven  
And heaven knows I've needed someone like you for so long  
So Randy take me with you, for that's where I want to be  
Teach me how to fly on these new wings you've given me  
Randy, let me show you what your love has meant to me  
Randy, let me be the only one you'll ever need

Randy, you have given me reason to live again  
Reason to love again and reason to smile  
Randy, you have given me new inspiration  
New dreams to dream and a reason to try

So Randy take me with you for that's where I want to be  
Teach me how to fly on these new wings you've given me  
Randy, let me show you what your love has meant to me  
Randy, let me be the only one you'll ever need
