

# Dolly Parton, Real Love

(David Malloy/Richard Brannon/Randy McCormic)

They say that it's a matter of trusting  
Before love has a chance to begin  
And it's never simple  
Faithless hearts can cripple  
And only a strong love survives  
I know they say that it's a fine line  
Between giving up and giving in  
But once your heart's been in it  
You just can't forget it  
It's like nothing that you've felt in your life

We got real love  
Not infatuation  
Real love  
Our hearts' celebration  
I love you  
Real love  
Not an imitation  
Real love  
You're my destination  
Baby, you and me  
We got everything we need

You are such a part of my life  
That I can't remember me without you  
And we've had our nights  
We've had our share of fights  
But we've never thought of giving it up

Oh, you and I we must be dreamers  
'Cause we're making our dreams come true  
I could spend my life  
Just holding you so tight  
And never, ever get enough

We got real love  
Not infatuation  
Real love  
Our hearts' celebration  
I love you  
Real love  
Not an imitation  
Real love  
You're my destination  
Baby, you and me  
We got everything we need

We got real love

We got real love  
Not infatuation  
Real love  
Our hearts' celebration  
I love you  
Real love  
Not an imitation  
Real love  
You're my destination  
Baby, you and me  
We got everything we need

We got real love

Not infatuation  
Real love  
Our hearts' celebration  
I love you  
Real love  
Not an imitation  
Real love  
You're my destination  
Baby, you and me  
We got everything we need
