Your love has lifted me keeps right on liftin' me higher higher and higher
Your love has lifted me keeps right on liftin' me higher higher and higher
Your love lifted me higher than I've never been lifted before
So keep it up feel my desires and I'd be at your side for ever more
Your love keeps liftin' me keeps right on liftin' me higher higher and higher
Your love keeps liftin' me keeps right on liftin' me higher higher and higher
I'm so glad so glad I found you I'm so proud that I am your girl
So you keep on holdin' my hand I'd be proud to say to the world
Your love has lifted me keeps right on liftin' me higher higher and higher
Your love keeps liftin' me keeps right on liftin' me higher higher and higher
I was hurt and down hearted disappointment was my closest friend
And then you came hurt somebody it ain't never gonna show its face again
No no your love has lifted me keeps right on liftin' me higher higher and higher
Your love keeps liftin' me keeps right on liftin' me higher higher and higher
Your love keeps liftin' me...
