

Dolores O'Riordan, Empty

Something has left my life
And I don't know where it went to
Somebody caused me strife
And it's not what I was seeking
Didn't you see me, didn't you hear me
Didn't you see me standing there
Why did you turn out the lights
Did you know that I was sleeping
Say a prayer for me
Help to feel the strength I did
My identity has it been taken
Is my heart breaking on me
All my plans fell through my hands
They fell
Through my hands on me
All my dreams it suddenly seems
Empty
