

Dolores O'Riordan, Waltzing Back

Who gave them the right
Waltzing back into
(Your life, Your life)
Now I feel fear
I wish that they'd never come (Here, here, here)
What they gonna do, what they gonna do
What they gonna say, what they gonna say
Taking you away from
(My life, my life)
Taking you away
(My life, my life)
La (chorus)
Who gave them the right
Turning it back into
(Light, light, light)
Then i felt fear
I wish that they'd never come (Here, here, here)
What they gonna do
What they gonna say
Taking you away from
(My life, my life, my life)
I don't wanna know
I don't wanna say
I don't wanna say
'Cos it's
(Your life, your life, your life)
