## Dolores O'Riordan, Waltzing Back

Who gave them the right Waltzing back into (Your life, Your life) Now I feel fear I wish that they'd never come (Here, here, here) What they gonna do, what they gonna do What they gonna say, what they gonna say Taking you away from (My life, my life) Taking you away (My life, my life) La (chorus) Who gave them the right Turning it back into (Light, light, light) Then i felt fear I wish that they'd never come (Here, here, here) What they gonna do What they gonna say Taking you away from (My life, my life, my life) Ì don't wanna know I don't wanna say I don't wanna say 'Cos it's (Your life, your life, your life)
