

Dolour, Sophie

Sophie, ooh it's gold
I'm wanna be with you when I'm old
Sophie, flip your hair
I'm wanna grow mine so you're see
Sophie, can't you see
I wanna be with you (and be free)

We'll be walking on a plank of love..
Sophie, ooh it's gold
I'm gonna love you til you're old
Sophie, flip your hair
I'm gonna grow mine so you're see
Oh Sophie, can't you see, oh Sophie its meant to be!
Sophie, can't you see
I wanna be with you (and be free)

We'll be walking on a plank of love..

Take me to your hiding place,
where no one can come and take my place..

Sail away with me, I'll tell ya now its gonna be alright!
