

# Domestic Problems, I Think It's Funny

Well, I think it's funny how I just look around for you  
Just waiting for you to talk to me, what's a love sick guy to do?  
And, I think it's funny how you won't say my name  
You think i'm gonna' jump on you girl  
Well you just play your stupid games

[Chorus]

Cuz i don't need no cosmic trippin' flippin' out on my backside,  
given' me a hard time, thinkin' i'm the wrong kind,  
juicin' up her behind  
That's what i say

Well, i think it's funny the way you do the things you do  
I just want to get close to you girl, the choice is up to you  
And, I think it's funny; in my eyes I cannot see  
Love does not surround us baby, it only circles me

[Chorus]
