

# Dominica, Gotta Let You Go

I gotta let you go  
I gotta let you go  
No more sleepless nights  
I gotta let you go  
I gotta let you go  
I need a man who treats me right. (2x)  
I want somebody  
Who's always there  
When I'm down to show you care  
Searched the whole world over  
For love that's true  
Someone to tell me "I love you";  
But it won't be my heart that's breaking  
Cause I won't be the one to cry  
I have taken all that I am taking  
Now the time has come for us to say good-bye  
I gotta let you go  
I gotta let you go  
No more sleepless nights  
I gotta let you go  
I gotta let you go  
I need a man who treats me right  
I want somebody  
That's here to stay  
Cause I need good lovin not a maid  
Not a part-time lover  
To treat me like you do  
You wanna have your cake and eat it too  
Just pack up all your lies  
Get up and go  
Cause now it's much too late to care.  
I've taken all that I am taking  
Oh don't move for me  
This time I won't be there  
Oh baby
