

Don Covay, Daddy Loves Baby

Da-da-da-da
(Da-da-da-da)

Daddy loves, baby
Daddy loves, baby
Daddy loves, baby
Oh yeah, honest I do

'Cause little girl don't cry
Daddy's got to go bye-bye
Let me hold you in the cradle of my arm
My love will protect you when I'm gone

Daddy loves, baby
Daddy loves, baby
Daddy loves, baby
Honest I do

A goodnight sweetheart, nighty-night
See ya tomorrow, sleep tight
Some people say, I love ya too much
But I don't think I love you enough

Wait a minute, baby
Oh yeah, oh yeah
Wait a minute, a baby

A-bring some candy back home, now

(Da-da-da)
Da (da-da-da)
Daddy loves, baby
Daddy loves, baby
Daddy loves baby, oh yeah
Honest I do

A goodnight, sweetheart goodnight
See ya tomorrow, sleep tight
A-some people say, I love you too much
But I don't think I love you enough

Oh (daddy loves baby)
Daddy loves, baby, ba-by
A-daddy loves baby

(Daddy loves baby)

FADES-

Daddy loves, baby
I love you too much.
