

Don Dokken, Stay

(Dokken, Brown)

Girl, when I think of you, you know it makes me sad
And I wonder, wonder about what we had, what we had

Say we're over baby
That we're through
Can't believe it say that it's not true
Please believe me when I say I do
I'm still missing you, loving you
loving you

CHORUS:

Won't you stay
Can't you see my love is waiting here
Darling, stay
Don't you leave me drowning in my tears

Do you love me baby let me know
Show your feelings 'Cause I gotta know
Am I wasting my time, am I being a fool
For loving you, loving you

Every night your name is on my lips
I feel your body at my fingertips
Please believe me when I say I do
I'm still missing, loving you
Am I a fool?

CHORUS

BRIDGE

Won't you touch me and stay for a while
I need you so badly
Darling...
Won't you stay

CHORUS
