

Don Downing, Dream World

(Dreamworld)

You said that you were leaving me
I thought that you were teasing
now you're leaving

I thought you wanted happiness
You wanted someone new
And now you're leaving

No no don't go
I can't believe it (you found someone new darling)
No no don't go
I must be dreaming

Dreamworld
I'm left up in a dreamworld
I must be dreaming this darling
Dreamworld
I'm left up in a dreamworld
Can't you hear my heart darling

Look I feel the tears inside
growing falling in my eyes
begging and bleeding

Somebody take me
ooh don't you wake me
I must be dreaming

No no don't go
I needed one more chance (to make it up to ya)
No no don't go
I must be dreaming (huhu huhu)

Dreamworld
I'm left up in a dreamworld
I must be dreaming this darling
Dreamworld
I'm left up in a dreamworld
Can't you hear my heart darling

Ah ah ah ah... dududup (somebody shake me)
Ah ah ah ah... dududup (why don't you wake me)

No no don't go
I needed one more chance (to make it up to ya)
No no don't go
I must be dreaming (huhu huhu)

(Instrumental break)

Dreamworld
I'm left up in a dreamworld
Dreamworld
I'm left up in a dreamworld

I'm left up in a dreamworld (I must be dreaming this darling)
Dreamworld
I'm left up in a dreamworld (Can't you hear my heart darling)
