

# Don Gibson, As Much

As much as the stars need the heaven as much as the roses need dew  
As much as the plea in a baby's cry well that's how much I need you

As much as the flowers need sunshine as much as the sky needs the blue  
As much as much as my love is true well that's how much I need you  
I need you I need you to guide me this much I know it's true  
You alone are my inspiration in everything I do  
As much as the stars need the heaven...  
Well that's how much I need you
