

Don Gibson, As Much

As much as the stars need the heaven as much as the roses need dew
As much as the plea in a baby's cry well that's how much I need you

As much as the flowers need sunshine as much as the sky needs the blue
As much as much as my love is true well that's how much I need you
I need you I need you to guide me this much I know it's true
You alone are my inspiration in everything I do
As much as the stars need the heaven...
Well that's how much I need you
