

Don Gibson, Even Tho'

Even tho you took the sunshine out of my heaven
Even tho you took the twinkle out of my eyes
I will always be in love with you my darling even tho I sit and wonder if I'm wise

Since the day that you first told me that you love me
I have been head over heels in love with you
Now you say our little romance has to end dear
Now I walk the floor and wonder what I'll do

[guitar]

There was a time when in my heart I didn't doubt you
Now I'm never sure of what you say or do
For everytime time I try to I put my arms around you
Something tells me that you're not the same ole you
Even tho you took the sunshine...
