

Don Gibson, No One Will Ever Know

No one will ever know my heart is breaking although a million teardrops start to flow
I'll cry myself to sleep and wake up smiling you've hurt me but no one will ever know

I'll tell them we grew tired of each other that I was glad the day you set me free
I'll even make believe I never loved you then no one will ever know the truth but me
[choir]
I'll tell them I've found true love with another...
