

Don Gibson, Times Were Good

TIMES WERE GOOD

(Don Gibson)

Times were good while they lasted the good times didn't last long enough

Now my times are wasted thinkin' bout what I didn't do enough

Well now I loved you then I loved you true true true

Never was a minute without loving you

Oh times were good while they lasted

But the good times didn't last long enough

Times were good while they lasted...

No the good times didn't last long enough
