

# Don't Drown Amsterdam, Human's Pollution Union

Verse #1:

SO! A bleeding civilian, a murder victim  
A criminal on the run, a world sicked  
White collar crime, a stagnated time  
A hero held captured, a leader pantomimed  
Not many people, see this evil  
The media falsifying needles  
A lifted wage, a turning page  
Losing our minds in the cathode rays  
(Losing our minds in the cathode rays)

Chorus:

(Pollute the earth) POLLUTE OUR BRAINS!  
(Cling onto ruts) AND HOLD THE REIGNS  
(You break the locks) YOU BREAK THE CHAINS!  
And you will never have to suffer through the change  
THE CHANGING WORLD OF HATE!

Verse #2:

GO! A brutal persistence, a wide resistance  
The protectors acting out against us  
A nations shaking, the heartaches breaking  
A heartbeat stopping, won't leave us quaking  
Able and strong men, domestic violence  
Trying to prove brute strength against women  
The terrorists plague, like the KKK  
Hurting their case for race supremacy  
(Hurting their case for race supremacy)

Chorus:

(Pollute the earth) POLLUTE OUR BRAINS!  
(Cling onto ruts) AND HOLD THE REIGNS  
(You break the locks) YOU BREAK THE CHAINS!  
And you will never have to suffer through the change  
THE CHANGING WORLD OF HATE!

Refrain:

Let us rise, kill the night, we will fight, WE WILL FIGHT!  
THE WAR AGAINST FREEDOM, CAPITALISTIC KINGDOM  
HOLLOW DREAMS, BURST THROUGH THE SEAMS!  
SEAR THE TRUTH, RED, WHITE, AND BLUE!  
THE STARS AND STRIPES, FOR THEM I DON'T NEED TO DIE!

Chorus:

(Pollute the earth) POLLUTE OUR BRAINS!  
(Cling onto ruts) AND HOLD THE REIGNS  
(You break the locks) YOU BREAK THE CHAINS!  
And you will never have to suffer through the change  
THE CHANGING WORLD OF HATE!

Exit3:

THE CHANGING WORLD OF HATE!  
The changing world of hate
