

Don-the chase begin again..., Main Hoon Don

duniya mein logon ne dil apane phir thame
aaya hoon lekar main phir kitne hangaame
zara dekho kaun aa gaya hai
zamaane pe jo chha gaya hai
jami jisme sab nigaahen
khuli kiski khaatir hai baahen
aaisa dildaar aaya hai kaun
mujhko pehchaan lo main hoon don
main zindagi ki baazi lagake maut se khelta hoon juaan
na mujhko gham hai, na mujhko parwaah, kaun mera dushman huan
dushman jo mera ho, rehta nahi duniya mein
bahut hi khatarnaak hoon main - 2
har ek pal mein chaalak hoon main
duniya phir jitane aaya kaun
mujhko pehchaan lo main hoon don
palkein bichhaaye paas bulaaye kitni haseenaaye mujhe
lekin do aankhen aankhon mein jhaanke aur woh behkaaye mujhe
ye negaahye yeh bataaye, raaz hai inmein nashilen
ajab sa nasha chha raha hai - 2
mere dil ko behka raha hain
behka behka huan aaya don
mujhko pehchaan lo main hoon don
