

# Don Williams, Endless Sleep

The night was dark, rain falling down  
Looked for my baby she's nowhere around  
Traced her footsteps down to the shore  
Fraid she's gone forever more  
I looked at the sea and it seemed to say  
I took your baby from you away  
I heard a voice crying in the deep  
Come join me baby in my endless sleep  
Why did we quarrel, why did we fight  
Why did I leave her alone tonight  
That's why her footsteps ran into the sea  
That's why my baby is gone from me  
I looked at the sea and it seemed to say  
I took your baby from you away  
I heard a voice crying in the deep  
Come join me baby in my endless sleep  
Ran in the water, heart full of fear  
There in the breakers I saw her near  
Reached for my baby, held her to me  
Stole her back from the endless sleep  
I looked at the sea and it seemed to say  
You took your baby from me away  
My heart cried out, she's mine to keep  
I saved my baby from that endless sleep
