

Don Williams, She's A Heartful

One minute she's up, one minute she's down
Loving her 's like being on a merry-go-round
Sometimes she's sad , sometimes she's funny
Sometimes I wonder if I'm going or coming
I know she's not easy to understand
But lovin' her makes me do the best that I can

Chorus:

She's a heartful, unpredictable
Cant explain the things she does
She's a heartful, she's worth the trouble
Cause she's got a heartful of love

First the sunshines, then the rain falls
Sometimes she crys for no reason at all
Then she's a child restless and moody
Sometimes she looks at me, sometimes she looks through me
There's things about her, I've never understood
But I wouldn't change her even if I could

She's a heartful, unpredictable
Cant explain the things she does
She's a heartful, she's worth the trouble
Cause she's got a heartful of love

She's got a heartful of love
