

# Don Williams, Stay Young

Oh, don't ya lose that light in your eyes  
You're never too old to love, never too late to try  
When somebody needs you  
Give em all you can give  
Oh, when you're livin' to love and a lovin' to live

CHORUS:

Stay young keep your wheels in motion  
You've got everything that you need  
Stay young with your rock n' rollin'  
All the best things in life are free  
Oh, don't ya feel like playin' the fool  
Just step outa line and break all the rules  
Well, don't you let them tell you, Its not for you  
Oh, don't go growin' old, before you're due
