

# Don Williams, Sweet Fever

I've been feelin' funny  
Shakin' like a leaf  
I don't know what's wrong  
But something's strong  
Sure got a hold on me.

Sun lights up my morning  
Moon lights up my night  
And I light up when  
Your name comes up  
I feel all funny inside.

I got a sweet fever  
Comin' all over me  
I got a sweet fever  
I wonder what can it be?

I don't know what happens  
But you come walking by  
I can't speak  
My knees get weak  
I feel half paralysed.

My temperature keeps rising  
My head is feeling light  
I sing love songs  
All day long  
I toss and turn all night.

I got a sweet fever  
Comin' all over me  
I got a sweet fever  
I wonder what can it be?

--- Instrumental ---

I got a sweet fever  
Comin' all over me  
I got a sweet fever  
I wonder what can it be?

I got a sweet fever  
Comin' all over me  
I got a sweet fever  
I wonder what can it be?..
