

# Don Williams, Too Late To Turn Back Now

Getting in deep, losing my sleep  
Thinking of you all the time  
I feel I'm falling under your spell  
About to lose my mind.  
But it's too late to turn back now  
It's too late now  
Too late to turn back now  
You got me now  
Feel the danger in your touch  
Haunts me night and day  
You know I want you way too much  
But I can't walk away  
Cause it's too late to turn back now  
It's too late now  
Too late to turn back now  
You got me now  
Too late, it's too late now; you got me now  
Too late, it's too late now, you got me now
