

Don Williams, Your My Best Friend

You placed gold on my finger
you brought love like I'd never known
you gave life to our children
and to me a reason to go on

you're my bread when I'm hungry
You're my shelter from troubled winds
you're my anchor in lifes ocean
but most of all you're my best friend

When I need hope and inspiration
your always strong when I'm tired and weak
I could search this whole world over
but you'd still be everything that I need

You're my bread when I'm hungry
You're my shelter from troubled winds
you're my anchor in lifes ocean
But most of all your my best friend

You're my bread when I'm hungry
You're my shelter from troubled winds
you're my anchor in lifes ocean
But most of all your my best friend
